

# Shane Bouchard's Weekly Wrestling Polls 2011-12

SHANE BOUCHARD POLL \* 01/25/2012 \* Week 7 \* Ok...a little late ...but here it is.

1. Massabesic - against the Regions best they proved they deserve the top spot.
2. Noble - Not to be denied.
3. Camden Hills - Just ink em in here....its where they will be in the end anyway.
4. Marshwood - Class A will be a 3 team battle to the end. (possibly quite literally)
5. Dirigo - Hopefully they can keep up the pace they set early.
6. Mt. Blue - BELIEVE! -course believing only wins you the East in A.
7. Cony - Just hanging around, going to make the East interesting.
8. Foxcroft - Ponies not going away.
9. Fryeburg - Almost back to full strength.
10. Mountain Valley - Did you think they would stay away all season? Really? come on man!
  
11. Belfast
12. Dexter
13. Windham - Strung up some Impressive dual wins this week.
14. Skowhegan - Yeah...A East is going to be interesting....Skow may even be the best set up A EAST for states...
15. York
16. Ellsworth - Think I've said this before...where the WEEEEEEAAAANKKK schedule kicks you.
17. Bucksport - Much better tourney team when full strength than most give credit for.
18. Mt. View - Yeah, I did it.....this is what you get during "Dual Weeks" -Although I have to say after watching this team at the very bottom for a bunch of years I am happy to see them succeeding. Coach Richards has worked hard to re-build that program.
19. Morse - You knew they weren't done.....
20. Wells - Another team that always gets competitive when it counts.
21. Portland
22. Kennebunk
23. Winslow
24. Mt. Ararat
25. Brewer

SHANE BOUCHARD POLL \* 01/17/2012 \* Week 6 \* Let the Dual Season Begin!

Not much shift in the top 10..11 - 25 a different story.

1. Marshwood - Full strength firing on all cylinders.
2. Noble - Still, you can't deny them.
3. Camden Hills - Hopefully Cassidy is ok...still, easily the best team in B...just give em the trophy.
4. Massabesic - If these guys peak in the next couple weeks A will be a battle.
5. Dirigo - Convincing win over Foxcroft, only un-avenged dual loss to # 1 team.
6. Skowhegan
7. Mt. Blue
8. Cony
9. Foxcroft
10. Fryeburg
  
11. Dexter
12. Belfast
13. York
14. Mt. Valley
15. Ellsworth

SHANE BOUCHARD POLL \* 01/09/2012 \* Week 5 \* Some shake up this week - starting to see the rise and fall of some.

1. Noble - We may not see them again til regionals but I have a feeling they will be ready...
2. Camden Hills - Best depth class B has seen in a long time.
3. Marshwood - Healthy Hawks can wrestle with anyone.
4. Massabesic - Still a threat to win A.
5. Dirigo - 2 tournament wins this year - can their depth win over Foxcrofts big guns?
6. Skowhegan - Not a bad time to peak, better hope Cougars aren't too mad.
7. Mt. Blue - Time to get all the ducks in a row and make a final push.
8. Cony - Will still contend for the East.
9. Foxcroft - Ponies will need depth to get to Dirigo.
10. Fryeburg - Too strong a team to bounce just for 1 very undermanned tourney - Healthy Raiders still a force.
  
11. Bucksport - Their Big guns alone can put up 100 in any tourney, don't count them out.
12. York - Nicely rebuilding.
13. Kennebunk - 4th in A west not really that bad considering the company.
14. Dexter - Despite the ranking Tigers may have the depth and help to win the PVC.
15. Ellsworth - This is where that lack of real competition thing starts to bite you.....
16. Belfast - Time is running out to right this ship.
17. Erskine - Could surprise.
18. Mountain Valley - hmmm?
19. Brewer - Best Brewer team in a log time.
20. Mt. Ararat - Young....this year will be a good stepping stone.
  
21. Portland - Another team that has not been on the radar for a while.
22. Sanford -
23. Biddeford
24. Westbrook -
25. Bonny Eagle

5. Mt. Blue - Counting Mt. Blue out of the A mix completely would be a mistake
6. Fryeburg - Looks like they may have the pieces in place for a great run
7. Mountain Valley - Poor performance at Westbrook, but that's usual. looked like only half their team went?? Still, like Noble...enough said
8. Cony - Looked good at Westbrook, going to Challenge for A East.
9. Foxcroft - Been reluctant to give many C teams credit in recent years But the Ponies look deep enough to contend with most of B.
10. Dirigo - If the pieces come together, could make a run.

Next - Westbrook, Ellsworth, Belfast
