This seeding chart was developed by the New England Council's wrestling committee with representation and input from all six New England states. The seeding chart has been reviewed at great length, and the committee is confident it is fair and balanced. The chart has been approved by the CNESSPA executive board. While every attempt has been made to flush out all potential issues, there is always the chance that small issues might exist. Please contact your state director to communicate any issues or questions. Thanks in advance for your consideration.

Please note that each year moving forward, this seeding chart will shift left one weight class, with the 106 weight class wrapping around to the 285 class. This will ensure diversity and balance from year to year.
